PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL, INFORMATION
OFFICER TO THE GOVERNMENT OF MYSORE,
OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 22nd December 1949.

The public are hereby informed that there is danger in the use of vegetable oil mixed with white mineral oil. The use of vegetable oil which is adulterated with white mineral oil is found to be deleterious to health inasmuch as it produces loose motions and makes the vitamins A and D unavailable for assimilation by dissolving these important ingredients so that they may not be absorbed by the system. Continued use of this adulterated oil, which deprives vitamins A and D, will result in deficiency conditions.

Import of the said oil into the State is prohibited under Rule 81 of the Defence of India Rules as applied to Mysore, and the Supplies, Services and Miscellaneous Provisions (Temporary Powers) Act XX of 1947. Any person acting in contravention of this provision shall be liable for punishment under the said Rules in addition to confiscation of the stocks involved in the contravention.

Press Note.

Dated 3rd January 1950.

On the morning of the 3rd instant, the Hon. Sri Jagjivan Ram, Minister for Labour, Government of India, and the Hon. Sri R. Chennigaramiah, Minister for Local Self-Government, Government of Mysore, accompanied by the Deputy Commissioner, Mysore District, the Municipal Commissioner, Mysore City, and the Regional Officer for Depressed Classes, Mysore Division, visited the Adikarnataka localities of Veeranagere, Jalapuri, Kukkarahalli and Adikarnatakapuram in Mysore City. The party was welcomed by the residents of these localities.

Sri Jagjivan Ram showed keen interest in knowing the social and economic conditions of these people. He inspected the Taxi-dermist Workshop of Messrs. Rangaiiah & Sons Jalapuri and expressed great appreciation of the excellent work turned out there. At Kukkarahalli and Adikarnatakapura he inspected the houses newly built with the aid of the amelioration grant and suggested certain improvements to be effected to these houses by way of adding a private room each house. He made enquiries as to how far these people were availing themselves of Government help in improving their conditions. He observed that he visited these localities more with a view to acquaint himself with the conditions of these people than to make any speeches or to tender any advice to them.

Press Note.

Dated 3rd January 1950.

According to Clause 17 (i) of the Harvest Order, 1949, a movement or transport of foodgrains is prohibited except where it is for "Purposes of Government" or where such movement is authorised by a permit issued for the purpose by a competent authority appointed by Government. The words "Purposes of Government" mentioned in the above clause have not been defined. It is reported that this has given scope for holders to move their foodgrains illegally without permits and when caught, take shelter under the aforesaid section and defend themselves that the transport was for purposes of surrendering the grains to a depot. This is expected to afford scope for smuggling of foodgrains and to successfully evade prosecution on this plea.

With a view, therefore, to tighten up procurement and check unauthorised transports, Government have amended Clause 1 (i) of the Harvest Order, 1949, in their Notification No. S. I 5598—C. 73-49-28, dated 3rd January 1950, requiring that all movement or transport of foodgrains should be accompanied by a permit issued by a competent authority appointed by Government.

INAUGURATION OF THE INDIAN REPUBLIC—CELEBRATIONS ON JANUARY 26 & 27, 1950.

The Government of Mysore, in common with the rest of India, are making suitable arrangements for the due celebration of the inauguration of the Indian Republic on the 26th January 1950 and request the co-operation of all the citizens of the State in celebrating the occasion in a worthy and appropriate manner. The 26th and 27th January are proposed to be declared Public Holidays throughout the State under the Negotiable Instruments Act of 1881.

The programme, as tentatively settled, will be as follows:—

26TH JANUARY 1950.

Mysore.—

Durbar in the morning at the Palace for the Oath-taking ceremony and the Swearing-in Ceremony.
State Drive in the afternoon, Parade at Government House and the Unfurling of the National Flag. Tea in the evening at the Chamundi Gymkhana.

Bangalore.—

Parade in the morning at the Race Course Grounds.
The Unfurling of the National Flag by the Mayor would take place at the same time.
Public Meeting at the Town Hall.
There will also be illuminations on the evenings of the 26th and 27th January at the Palace, Mysore, and the Brindavan Gardens and flood-lighting of important buildings in Bangalore and Mysore and, wherever possible, at other places.

At other District headquarters.—

1. Parade or Procession with Flags, etc.
2. Unfurling of the National Flag.
3. Poojas, etc.
4. Sports.
5. Public Meeting in the evening.

It is suggested that while the above covers the main points connected with the Celebrations and is only an outline of the official programme to be followed at Mysore and Bangalore cities, Presidents of the Municipal Councils, the District Magistrates and the Educational authorities are requested to draw up individual programmes on the same lines with variations to suit local conditions, and make their own special arrangements for illuminations, sports and amusements, etc., in so far as they are concerned.

It is also suggested that the public, in addition to participating in the official programme, may have their own programme for celebrating the event in a worthy and appropriate manner.

CHANGE IN THE DESIGNATION OF ASSISTANT AND SUB-ASSISTANT SURGEONS.

One of the resolutions passed at the Medical Licentiate's Conference held in Bangalore in June 1949 related to a change that was considered to be necessary in the nomenclature of the Sub-Assistant Surgeons in the State. Several representations were also made by the Licentiate's requesting Government to accord them a better designation, since there was no

and the Assistant Surgeons, as well as the Sub-Assistant Surgeons, equally efficiently in the direction of giving medical relief. The question was considered carefully by Government, who have now decided to change the designation of Sub-Assistant Surgeons. This is also in conformity with the practice obtaining in the Centrally-administered Areas and also in some other Provinces. The new designation for the Assistant Surgeons and the Sub-Assistant Surgeons will be Assistant Surgeons, Class I (Gazetted) and Assistant Surgeons, Class II (Non-Gazetted).
